We are constantly monitoring the comments and posts that members add, but we trust that members are respectful and supportive even when we are not looking and they connect through private messaging. GUIDELINES

**We need your help to keep the Food Action Hub as valuable,
authentic, and safe as possible.**

Be supportive. Respect and encourage your fellow members.

Share generously. Your stories and experiences may be exactly what another member needs to hear today to solve a problem or seize an opportunity.

Be constructive. We are here to push each other forward and lift each other up. Find ways to help each other think bigger, reframe challenges, and stay curious.

Don't spam or troll. This network exists to help all of us learn. It's not a place to spam or bully anyone else.

Please [let us know](#) if you have any questions or concerns related to these guidelines.

**We are really glad that you are here. Thank you for your commitment to
work towards a food secure Manitoba!**
